

SOCCER

Registration Deadline, March 15

Parents it's time to register your child (ren) for Iron River Soccer!

The Iron River soccer season kicks off **in May** with games beginning the week of **May 28** and ending the week of **June 28** for children born in 2000 through 2015. Teams typically play one, sometimes two games per week night (Mon. – Thurs.)

Cost: \$40 (1st child); \$35 (2nd child); and \$80 maximum per family
Registration and payment must be sent in NLT Friday, March 15.

Late Registration Fee \$10 per player

(There will be no refunds once draft is complete)

Our philosophy is simple – “Kids having fun!” There are 5 weeks of matches **beginning the week of May 28 and ending the week of June 28.** Coaches have been encouraged to begin practices the first week of May. All games will be played at Joe Sabol Field in Caspian, Michigan, Monday thru Thursday evenings except U14/U19 which are played at Nelson Football Field. Your child/youth will have one, sometimes two games per week on the schedule.

Your child/youth's coach will contact you a few weeks prior to the season beginning informing you of the practice and game schedules.

Your registration fee includes soccer jersey. In addition, your child/youth will need shorts, socks, shin guards, soccer ball, and a water bottle. (Note: Socks are worn over the shin guards)

Soccer Ball Sizes for Ages:	U4, U6, & U8 Players	Size 3
	U10 & U12	Size 4
	U14, U16 & U19	Size 5

The U4, U6, U8, U10, and U12 divisions will play “small-sided games” which will involve smaller sized fields and fewer players. The benefits of this will result in younger players receiving more touches on the ball, becoming more skillful players, a less complicated game, more individual teaching time with the coach, better socialization, and more opportunities to score goals.

The Iron River Soccer Association is bound by SAY (Soccer Association for Youth out of Cincinnati, Ohio) National rules. All Iron County Michigan youths are welcome!
